**MATERIALS**

Both Moi and More cabinets are made of strong 19 mm thick melamine boards. More cabinets stand on a strong steel frame, the Moi series on a plinth base or on aluminium feet.

**FINISH**

The cabinets come in light and dark grey, and also in white. The sliding doors of More cabinets are available in different wood veneers: natural maple, whiskey or cognac tone dyed maple, and white or black coffee toned oak. The MDF board sliding doors also come in cream, cranberry cream, olive green, mellow blue and brick red. In addition to the veneer selection, you can also choose elegant steel grey or white, birch, light ash or walnut melamine doors for your Moi cabinets.

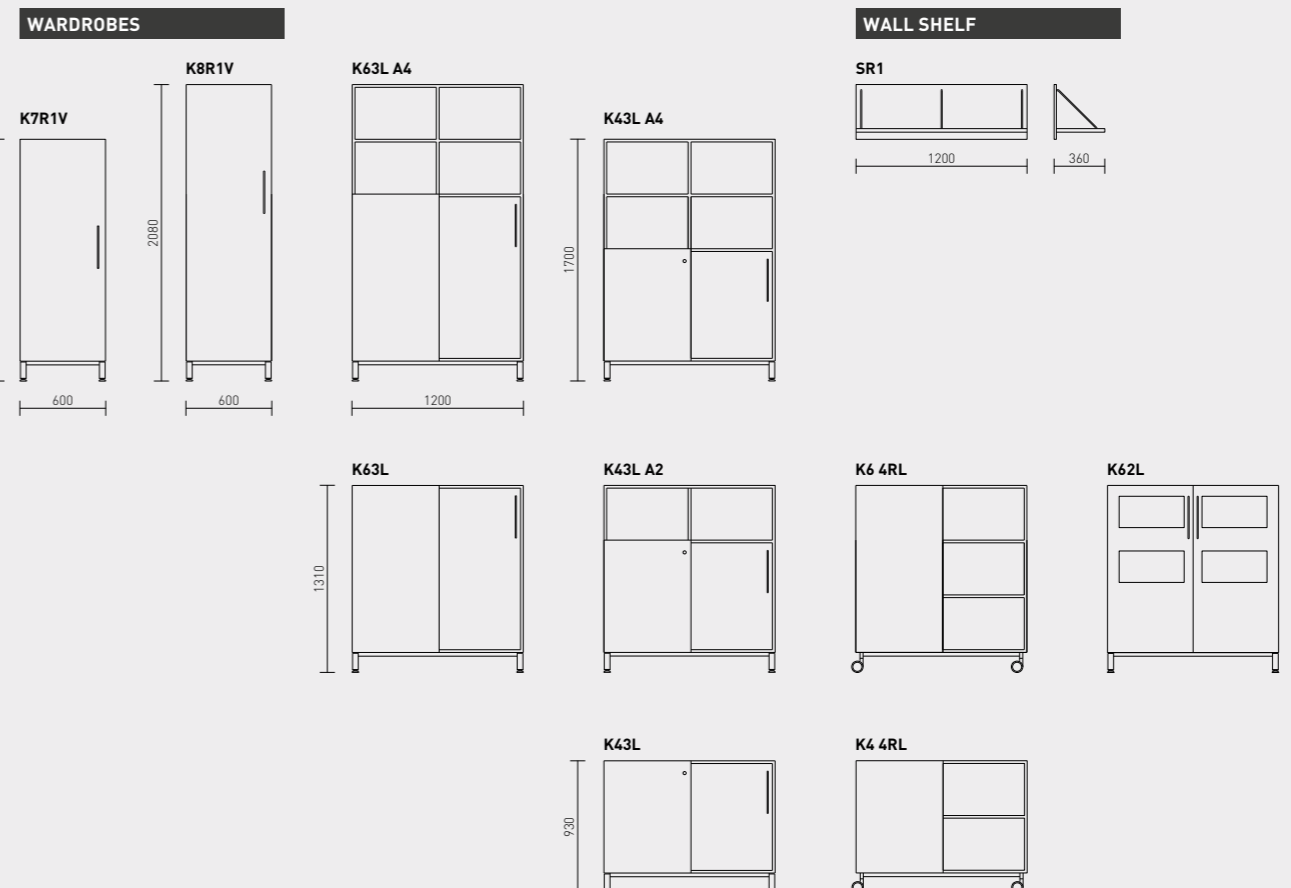

**MODULES**

The cabinets come as two, three, four or five shelf modules.

More cabinets are 450 mm deep and 1200 mm wide. The smaller cabinets are also available on frames with wheels. Only the lower parts of the cabinets have sliding doors. The depth and width of the More wardrobes is 600 mm, and they are available with hinged doors. The range includes a wall shelf.

The depth of Moi cabinets is 410 mm. The 800 mm wide cabinets come with or without hinged doors, and the 1600 mm wide cabinets have sliding doors. The wardrobes are 600 mm wide. The range also includes a wall shelf and an 800 mm deep pull-out cabinet.
