# Delta Ceiling absorber

Delta is a sound-absorbing system floating in the air, like a soft and generous flight of kites. Soft petals or pebbles polished by the waves, Delta protects the user from noise while delimiting a space of quietude. It comes in various shapes and finishing, which allow it to be used in very different places, from restaurants to hotel lobbies and libraries. Delta is available in three sizes and a variety of fabrics.

## DELTA

Ceiling absorber

Sizes

Delta One 540 x 1330 mm (21.3" x 52.4") art. 62-0513	Delta Two 730 x 990 mm (28.7" x 39") art. 62-0709	Delta Three 520 x 860 mm (20.5" x 32.7") art. 62-0508
---	--	--

## STANDARD FABRICS

We offer a variety of standard fabrics, each with unique characteristics to suit your needs. For a complete overview of the standard fabric options available for this product, please visit Zilenzio.com.

## CARE INSTRUCTIONS

In order to preserve the color and appearance of the fabric, the fabric should be regularly vacuumed with a soft nozzle.

Stain Removal for Polyester:  
- Moisten the stain sparingly with a white clean cotton cloth, lukewarm water and possibly some pH neutral detergent.

Stain Removal for Wool:  
- Dab or wipe gently with a damp cloth.
