

# Every office deserves a Chatbox

For deep work, private calls, or a creative session.

## Increase your productivity by 25%

### Soundproof

Keep your conversations private while keeping background noise out.

### Made by Silen

Made by the team behind Silen Space, the Chatbox is a simplified version of our most popular phone booth, leaving only the essential purpose in its simplest functional form.

### Ventilation

Chatbox uses a technology that keeps the booths ventilated, ensuring fresh air throughout your time spent inside.

### Quick assembly

It takes about 30 minutes for two people to assemble – and you only need one tool.

## Simple assembly, simple choices

### Dark beauty

Black offers a striking visual accent and attracts attention.

### Left- and right-handed door in one

You can change the door handedness at any time.

### Bright oasis

White is an elegant and unobtrusive choice for light-toned rooms.

### Accessories? Check.

Whiteboard and screen brackets with cable management are available for Chatbox.

## Your new normality

### Single

A space to focus on your own or make uninterrupted phone calls.

## A silent space for creativity to flourish

### Affordable, yet sleek

Direct from our factory to you, Chatbox is shipped flat-packed, making it more affordable than other phone booths.

### 2 people + 30 min + 1 tool

No installer needed to set up Chatbox. Just ask a friend for some help. Done!

### Durable means sustainable

Well thought-out form, construction, and choice of material allows for extended durability. In addition, easy assembly and disassembly allow you to take it to your next office space.

## Single Tech specs
